**REQUEST FOR WITHDRAWAL
AS ATTORNEY OR AGENT**

Application Number	09/991,158
Filing Date	11/15/01
First Named Inventor	Steven R. Fletcher, et al
Group Art Unit	2154
Examiner Name	Unknown
Attorney Docket Number	13984.101

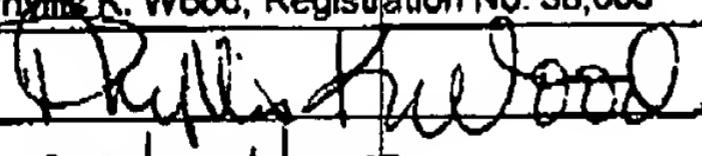

**To: Assistant Commissioner for Patents
Washington, DC 20231**
I hereby apply to withdraw as attorney or agent for the above identified application.

The reasons for this request are: The assignee has failed to make any payments to Patton Boggs LLP since April of 2002. The assignee has failed to pay invoices of the firm for services rendered and fees paid totaling \$12,538.94, even after several requests and demands. We understand that William Shepherd is no longer President of Global eSoft, Inc. and that the company is in foreclosure by the noteholders.

Additionally, there are no due dates or any actions pending at this time, and our withdrawal, at this time, will not prejudice the applications currently in progress. We have contacted the client to advise them of our filing this Request for Withdrawal as Attorney and have also provided them with a docket list to indicate the presently filed applications and the estimated future dates on which an action is likely to be received from the USPTO for each application as a courtesy to allow the applicant sufficient time to obtain new counsel, if it so desires.

1. The correspondence address is NOT affected by this withdrawal.
2. Change the correspondence address and direct all future correspondence to:

Gentlemen:

It appears that our relationship has reached a point where we can no longer work together effectively. Unfortunately these situations occur on occasion and it becomes in the best interest of the client and the lawyer for the client to find new representation. This problem is a result of the failure of Global eSoft to pay our invoices. The patent applications were prepared by our staff and delivered to Global eSoft in a timely manner. The inventors approved the applications and we filed these cases with the U.S. Patent Office. Many months have passed and we have patiently waited for some response to our repeated billing inquiries, but have received none. We have therefore decided to withdraw from representation.

We are pleased to have had the opportunity to represent you on these matters. I regret that we could not continue to represent you. We will be filing Requests to Withdraw as Attorneys with the U.S. Patent Office in each of these cases and will list the address first-listed above as the new correspondence address to receive future Patent Office mail. We enclose a Due Date List and a Patent Status Report for your reference. Please note that at this time, there are no due dates or any actions pending, and you will not be prejudiced in any manner related to the current prosecution status of these applications. Please note further that we will no longer be responsible for any of these due dates and will remove them from our docketing system. To avoid loss of any rights in these cases, I encourage you to contact new counsel as soon as possible to represent you in prosecuting and maintaining these matters.

If you have any questions, comments or criticisms about our cases, our bill, or our representation of you, please contact me and I will be happy to sit down and discuss the matter with you.

Sincerely

Halina S. Dziewit
